PREFACE

I am happy to bring out the Civil List-2013 of the officers of Indian Inspection Service (IIS), as updated upto 31.12.2013. The Civil List is an important document for better cadre management of the service and a valuable source of information. It contains the relevant information in respect of the members of the Service holding Group-A posts in DGS&D Headquarters and its regional offices.

2. Directorate General of Supplies and Disposals [DGS&D] is the Central Purchase Organisation of the Government of India. It is the executive arm of the Ministry of Commerce & Industry as far as matters concerning conclusion of Rate Contracts for common user items, as well as procurement are concerned.

3. Members of IIS have been rendering service by formulating inspection policies and Quality Assurance plans. They provide technical support to the purchase functions by laying down the procurement specifications, assessing the vendors, registration of suppliers and assuring the quality of stores. They provide services to other departments of Central Government, State Governments, Public Sector Undertakings and private parties against their direct procurement. Officers of IIS interact with indenters and industry in the preparation and up-gradation of procurement specifications to meet diversified and increasing quality needs of the users and guidance to industry for improvement in manufacturing process, test methods etc. to produce quality products.

4. This Civil List has been prepared on the basis of data available in Administration Directorate of DGS&D. Contents of the Civil List do not confer any official sanction in respect of the particulars given therein of individual officers. In case of any doubt, or dispute, the correct information should be obtained from the original records available with this office.

5. I extend my good wishes to all the officers of the IIS for their contribution and efforts in assuring the quality of goods and items purchased by the departments of the Central and State Governments.

(S.N. Mohanty)

Director General (Supplies & Disposals)
