Circular No 03

Sub:- No R/C to a firm on conditional Capacity assessment Report

In a case where RC for TMT Bar was awarded by the SC Dte. to a firm, which though was having the technical capacity but was not in operation on the date of opening of tender due to non-sanction of requisite power load for the same.

2. Vigilance Dte. has suggested to issue necessary instructions to avoid complaints in future and also misuse of R/Cs.

3. Accordingly, all concerned are, therefore, instructed that a firm shall not be awarded R/C on the basis of a conditional capacity assessment report i.e., the firm possesses the tools & machinery but cannot operate because of lack of adequate electric power load sanction/connection etc. The actual operational status of each plant & machinery shall be taken into account while furnishing capacity assessment report and awarding of R/C.

4. This issues with the approval of DG(S&D)
